Planning and Development Staff: APPROVAL
Planning Commission: APPROVAL (7-0)
Planning Commission Date: July 11, 2016

Staff Recommendation: Approval

Based on the information prepared by staff outlined within this Planning Commission report, staff recommends partial approval because of the following considerations and findings:

1. The proposed major amendment is consistent with the Comprehensive Plan.

Staff Supports:

1. The proposed amendment to increase the maximum building height from 35 to 50 feet which will allow the site to be developed at a height consistent with existing zoning and

“York County is committed to assuring accessibility with reasonable accommodation, of county services, facilities, employment and programs for all individuals, in compliance with federal law. Please contact the County Manager’s Office at 803-684-8511 if you need assistance.”

development standards.

2. Modification of the of the landscape buffer language regarding the maintaining of adequate screening, eliminating tree harvesting, and conditions permitting tree removal.

Staff Opposes:

1. Removing the language restricting loading dock orientation towards residential areas because this will create noise impacts that cannot be adequately mitigated by existing natural buffers. ***The applicant requested removal of this proposed amendment. This proposed modification was removed at Planning Commission.**
