24 Hour Battery

PID has a one year warranty

4 Gasses are 3 year warranty

Humidity does not affect readings

Rechargeable Battery

Catalytic Version: \$2770

Infrared Version: \$ 3800

OLD BUSINESS

Minutes from last mtg. were read and approved

Scott Boyd Stated that we would have hot dogs at the mtg. at Bethel.

We are planning on doing damming and dyking at that mtg.

Training in April: Working with Norfolk Southern. Can't do at night. Working on switching time. Planning on moving to Saturday. BYOB

Tech Refresher- Catalog Class Cancelled

Rickey Stated that we have instructors, curriculum, and we have our own equipment and trailer.

If we follow OSHA, we can do our own refresher.

Going to try to plan a weekend class and a weekday class.

NEW BUSINESS

Our Multi RAE monitor is 4-5 years old.

Thomas Cook will repair and train.

Timmy Gordon and Ron Becknell led discussion to have more monitor demoed again and to research more.

Ricky Discussed the last haz-mat call on 161 in Bethany Fire District.

Lithium Hydroxide- Solid

Good response by the haz-mat team: Mostly did a stand by.

Discussed the CERT Team and their delicious BEC sandwiches.

We were dispatched as a part of Bethany's call.

Rickey questioned this decision.

EOC stated it was easier for them to attach us.

The problem is that we are not going to mitigate what the fire dept. is doing, we are going for the haz-mat purposes.

Rickey is working to get them to give us a different priority and give us the staging area.

Rickey then brought up a budget.

Want to get T-shirt and sweat shirt, Budget for 1 meal a year, and equipment.

Talked about shifting budget up to 10,000.

Rickey brought up putting Carl Thompson on team: Motion By Allen Tice, Seconded by Keith Davis: Vote was YES./ Keith Davis asked about haz-mat clean up. Mike Channell handles that. Mtg. adjourned @ 2030 hrs.
