

Fire Yesterday in Western York County

YORK, SC-On November 19, 2016, several fire departments in Western York County and S.C. Forestry responded to a 50+ acre woods fire on Locust Hill Rd. (between McGill Rd. and S. Beersheba Rd.) Within a few hours, the fire was contained within a controlled area.

Due to the size of the fire, smoke and flames will be visible at this location for the next several days. Please note, local officials are aware that flames and smoke are in the area. The local fire department is making periodic checks to ensure that the fire does not spread beyond the containment line. However, if residents feel the fire may have broken through, they are asked to contact York County 911 to report their findings.
