

Miscellaneous Permits

IN GROUND POOL PERMIT

Effective October 1, 2008, all pool permits will require a South Carolina Licensed Electrical Contractor and/or Mechanical Contractor to perform all electrical and/or gas work on residential pool installations.

A statement on letterhead from the Electrical and/or Mechanical license holder will be required allowing the pool installers to use their license prior to securing a permit.

Items needed:

1. Survey of the property
2. Copy of the pool contract
3. NPDES Questionnaire
4. Statement from electrical contractor and mechanical contractor giving Permission for the pool company to use them on the application.

DEMOLITION PERMIT FOR A MOBILE HOME OR A HOUSE
